At Go Fish & Chips, we bring the freshest, tastiest fish and chips to you.

As well as the crispiest batter, the flakiest fish and the perfect chips, we make our own tartare and aioli sauces to perfectly complement our dishes and we responsibly source our fish (cod and haddock as standard), and serve it fresh every time.

With 25 years' experience in the catering industry, we know what goes into making the perfect meal. We have the knowledge and professionalism that makes a successful business, and that's not to mention our 5-star hygiene rating.

Whether you are looking for a caterer for a party, wedding, special or corporate event, your guests will not be disappointed when you serve them the finest fish and chips around. We can be flexible with our menu and cater for special dietary requirements, so please discuss any needs you have with us.

If you'd like to talk to us about your next event, please call or email us, or visit our website for more information.
